Grading: Three Quizzes (10% each online, April 15, May 6 and May 27), You will be given a 12 hour time period during which you can access the online quiz. You will have one hour from the start and you will be allowed to attempt it only once. Midterm: April 30, 20%, Final (in class) June 7 at 8:30pm-10:30pm 50%, cumulative;
There will be no make-up exam and I do not give early finals. If you miss the midterm you will receive zero points unless you are ill or have a family emergency. These have to be documented at your earliest convenience in writing and well before the final. If you have an excused absence I will count your final 70%. If you miss the final due to illness you will receive an incomplete if you have at least a grade of D at that point. An incomplete requires that you take the final within the next 3 quarters. All exams are closed book, no notes, multiple choice and require a scantron UCD2000.

Homework: Homework will be assigned throughout the quarter on an ongoing basis. Homework assignments will be posted on the web. We will use MyStatLab. Homework does not count towards the grade but the online quizzes will be taken from homework assignments.

Note, that we will post all announcements on this web page, including changes in office hours, style and content of exams and information about homework. It is your responsibility to check the web site routinely. Furthermore, all emails need to be sent to the class email account. We will not respond to emails sent to our individual email addresses. Email will be checked late morning and early evening during the week and once per day on the weekends. We will not answer email questions about the contents, place or time of exams or when homework assignment are due. Emails inquiring about the content of exams will not be answered. If you would like to know what is being covered you must come to class or rely on posted sample exams. If you have any questions, please come to office hours. You may also make an appointment to see me at other times. Let me know about any concerns you may have. Good Luck.
