

**Logistic Details**  
**Statistics 135 Spring 2008**  
**Multivariate Data Analysis**

Meeting time: MWF 12:10-1:00 pm in PHYGEO 148  
Discussion: R 10:00-10:50 am CRUESS 107

Instructor: Rituparna Sen  
Office: 4218 MSB  
Phone: 752-7623  
email: rsen@wald.ucdavis.edu  
Office Hours: F 1:10pm to 2:00 pm

Text: Applied Multivariate Statistical Analysis (Sixth Edition), Prentice Hall, By Richard A. Johnson and Dean W. Wichern.  
REQUIRED

Mailing list: Class mailing list has been set up as sta135-s08@ucdavis.edu. Registered students will be automatically entered in the mailing list. Check your myucdavis mail or redirect them to the server you use regularly.

Class website: anson.ucdavis.edu/~rsen/sta135-s08  
Note, that we will post all announcements on this web page including homework assignments, solutions, changes in office hours etc. It is your responsibility to check the web site routinely for changes.

Homeworks: Homework will be posted on the website and be due at the beginning of class on the due date. No late assignments will be accepted, NO EXCEPTIONS. Homework grading must be discussed with the TA.

Exams: No makeup exams. Documented illness and family emergency are excused absences. Other absences are at the discretion of the instructor. Documentation needs to be provided. If you miss an exam and have an excused absence your score from other sources will be inflated proportionately. If you have an unexcused absence, you will receive zero points for that exam. All exams are closed book, closed notes. You can bring 1 page of notes for the midterm and final. Calculators are permitted. There will be no I-grades.

Important dates:

Midterm1: M Apr 28 in class

Midterm2: M May 19 in class

Final: M June 9 3:30pm to 5:30pm

Grading:

Homeworks: 10%

Midterm(2): 50%

Final: 40%

Remarks You can obtain PTA/PTD numbers from the statistics department office on the fourth floor of Mathematical Sciences Building.

Exams will not be curved individually, but the total score will be curved at the end of the course.

You can pick up graded homeworks and midterms anytime from the bins on the fourth floor of Mathematical Sciences Building.

Please turn off cell phones and put beepers on vibrate only.

Exams and homework include material covered in the class; note that some of the material covered is not in the textbook. If you miss a class, be sure to get the notes from another student. All class handouts will be posted on the class website.

You may exchange brief ideas for homework problems with your classmates, but must otherwise work independently on all homework sets. The academic code of conduct will be observed strictly.

Let me know about any concerns you may have. Good Luck!
